“Drink Curious”

Our Philosophy is simple:

“Every wine style deserves to be represented at every price range, but quality matters more than reputation”

That is why you will discover wines from Georgia, Patagonia, Japan, China, England and many other emerging regions alongside Europe's greatest classics. Not because they are different, but because they have earned their place.

Travelling has become an essential part of our wine program. Walking through vineyards, sharing meals with winemakers and understanding their culture teaches us far more than tasting a hundred wines in a showroom ever could. Every journey shapes this wine list.

We don't collect famous labels.
We collect stories, people and unforgettable bottles.
So trust your curiosity.
Your next favourite wine may come from a country you've never considered before.

Our Wine Journeys

For us, wine trips are very important. They teach you a lot more about a wine region than tasting 100 wines. You can breathe the air of the region, feel the soil, embrace the terroir and feel the love the wine maker puts into to the wine. My dream is to visit every winery on this wine list. It sounds impossible, but a lot of things sound impossible…

South Africa - January 2025

Quinten and Jo visited South Africa in January 2025. South Africa was already well represented on our wine list, but visiting the wineries behind the bottles changed everything. Walking through the vineyards with the winemakers, tasting wines where they are born and hearing the stories behind every vintage gave us a completely new appreciation for South African wine. Today, these estates are not just names on our wine list—they are places we have experienced, people we have met and wines we are genuinely proud to pour.

Italy Tuscany – November 2025

Quinten travelled to Tuscany to visit former colleague Mirko Panti and explore the region with a group of old friends from the international hospitality world. Visits to Villa Antinori, Tassi and Querciabella showed us both sides of modern Tuscany: deep respect for tradition, combined with the confidence to create more daring wines.

Baden Germany – May 2026

Mark, Victor and Quinten turned a boys' trip to the Kaiserstuhl into a remarkably educational wine journey. We had always considered Pinot Gris rather predictable, until we tasted them here. Our annual pilgrimage

Georgia – Cradle of Wine

I travel to Georgia every year. Georgia is my favourite escape of reality. The wine, nature, food and hospitality are things that interest me in the highest way. A few years ago I was invited to present the European Wine Market on the VinExpo Wine Fair in Tbilisi, Georgia. That is where I visited the country for the first time, unknowing I would become an ambassador.

Georgia is widely regarded as the birthplace of wine. We should be thankful to them. Through years of visiting Georgia annually I slowly began to understand its wine traditions, its grapes and its love for their products.

These are the bottles that, to me, best capture the soul of Georgian wine. Georgia did not just teach me about wine. It changed the way I look at it.

White

Kakhetia | Koncho Family Wines | Kisi Semi-Sweet | 2023 BIO 35

Kisi

Crafted by the Koncho family in Georgia's Kakheti region, this semi-sweet Kisi offers ripe peach, apricot and floral aromas. Its natural sweetness is beautifully balanced by fresh acidity and freshness.

Kakhetia | Château Buera Rkatsiteli Reserve | 2022 55

Rkatsiteli

Château Buera combines modern winemaking with the start of Georgian wine tourism. This Reserve Rkatsiteli delivers ripe orchard fruit, subtle buttery richness and gentle oak influence.

Orange

Kakhetia | Casreli Wines | Erekle | 2021 BIO 53

Rkatsiteli, Kisi, Mtsvane, Khikhvi

Created by five Georgian doctors who turned their shared passion into a natural wine project, Erekle blends Rkatsiteli, Kisi, Mtsvane and Khikhvi. Expect dried mango, bergamot, orange zest and elegant tea-like tannins.

Kakhetia | Papari Valley | Rkatsiteli-Chinuri 3 Terraces | 2022 BIO 48

Rkatsiteli, Chinuri

Sourced from three hillside terraces, this qvevri-fermented Rkatsiteli is layered and complex. Expect dried apricot, orange peel, chamomile and walnut, supported by vibrant acidity, delicate tannins and a long, savoury finish.

Red

Kakhetia | Koncho Family Wines | Saperavi | 2022 BIO 35

Saperavi

Once our house wine, Koncho Saperavi is the perfect introduction to Georgia's flagship grape. It offers dark berries, plum, gentle spice and smooth tannins with outstanding drinkability.

Kakhetia | Château Buera Saperavi Reserve | 2019 55

Saperavi

This place is a little piece of heaven in Georgia, most beautiful winery II have ever visited. The wine is robust, complex and dark. The fruit of blackberries and berries effortlessly masters the wood aging.

Kakhetia | Papari Valley | Qvevri 5 Saperavi | 2023 49

Saperavi

Papari Valley Qvevri 5 is intensely concentrated—so dark you could write a letter with it. Layers of black fruit, liquorice root, bay leaf and earthy spices are lifted by vibrant acidity and powerful, refined tannins.

Kartli | Kapistoni | Shavkapito Qvevri | 2022 BIO 48

Shavkapito

From the Kartli region in central Georgia, Kapistoni showcases the indigenous Shavkapito grape. A lighter alternative to Saperavi, it offers smoky notes, red berries, freshness and just a hint of fine qvevri tannins.

Our Sparkling Sensations

Sparkling Wines

Corpinnat | Augusti Torello | "KRIPTA" | Gran Reserva 2017 Brut BIO 139

Proof that Corpinnat can compete with Champagne, served in certainly the most beautiful bottle on the wine list

Zeeland | Brut de Zélande | De Kleine Schorre | 2022 **LOCAL** 99
Auxerrois, Pinot Blanc, Rivaner
I am a sommelier from Zeeland. This is my heritage wine.

Rheingau | Weingut Künstler | Assmannshäuser Rosé Brut Nature 2019 83
Spätburgunder
Fantastic rosé sparkling wine from the limestone soil in Assmannshausen. Perfect Champagne alternative.

Sussex | Rathfinny Rosé | 2019 BIO **Glass** 15 **Bottle** 79
Pinot Noir, Chardonnay, Pinot Meunier
What an amazing winery, beautifully developed on the British coastline. We visited the winery in July 2025 and were astonished by its scenery. Luckily also the wine had amazing quality. Fresh, fruity, summery rosé sparkling. A feast to celebrate the new booming sparkling wine region across the sea.

Kent | Gusbourne Blanc de Blancs | 2019 93
Chardonnay
The wine that made us travel to England. Pure Chardonnay with citrus, orchard fruit and beautiful chalky minerality. Precise, elegant and a serious alternative to Blanc de Blancs Champagne.

Kent | Gusbourne Blanc de Noirs | 2018 97
Pinot Noir
The richer side of Gusbourne. Pure Pinot Noir brings red apple, wild strawberry and cherry, with a creamy texture, subtle spice and impressive depth.

Kent | Gusbourne | Fifty One Degrees North 2014 365
Chardonnay, Pinot Noir 2016 365
2014 was first vintage of Gusbourne's prestige cuvée. Eighty months on the lees created remarkable complexity: mineral and fresh at first, slowly opening towards yellow fruit, pastry, spice and nuts. 2016 is the powerful successor to 2014. Exceptional ripeness meets razor-sharp freshness, with nougat, butter, brioche and a beautiful maritime minerality. A serious English icon.

Champagnes

Thiénot | Brut **Glass** 15 **Bottle** 79
Chardonnay, Pinot Noir, Pinot Meunier
Our house champagne. Fresh and also fruity. A Champagne that everybody loves.

Thiénot | Blanc de Blancs 119
Chardonnay
The fresher alternative to our house champagne. Made from solely Chardonnay grapes.

Deutz | Brut Classic 95
Chardonnay, Pinot Noir, Pinot Meunier
Deutz is a very old Champagne Château (1838). It is very mineral and outspoken, lovely with seafood.

Elemart Robion | VB03 Extra Brut | Vin Biologique **NEW** 93
Pinot Meunier (70%), Chardonnay (20%), Pinot Noir (10%)
Full bodied Champagne, dominated by the Pinot Meunier grape. We prefer to serve it in Burgundy glasses to open its full potential. This Champagne can be easily paired with your fish menu or even poultry.

Paul Launois | Illustration #5 | Blanc de Blancs Grand Cru Mesnil sur Oger 99
Chardonnay
The Illustration vintage stands out for its originality and minerality. The chalky terroir associated with the oak barrel reveals its full aromatic potential: a fine toasted and saline extra brut Champagne

Pinot Meunier Champagnes

Piot-Sévillano | Le Temps Pour Elle | Solera Pur Meunier **NEW** 139
Pinot Meunier
I always hear people say: "We enjoy the small Champagne houses". Well, this is my favourite and the craft this cuvee from only Pinot Meunier grapes, which I find fascinating because of the gastronomical options it gives the champagne. Only 600 bottles made, so if you love small champagne farmers, this should be your pick.

Egly-Ouriet | Vignes de Vrigny 129
Pinot Meunier
This Champagne celebrates everything I love about Pinot Meunier: expressive, vinous and full of character. A gastronomic Champagne made for the table, far beyond a simple aperitif.

Millésimes

Deutz | Brut Vintage 2015 Late Disgorgement **NEW** 115
Chardonnay, Pinot Noir, Pinot Meunier
Deutz proves that patience is one of the greatest ingredients in Champagne

M. Hostomme | Vikka | 2009 **NEW** 259
Chardonnay
Her name, Vikka, means "traveler, adventurer" in Old Norse. It was chosen as a tribute to the family's Scandinavian roots, which certainly play a role in their tribal spirit and their taste for exploration. This 2009 Blanc de Vins, after 12 months of disgorging, was submerged 60 meters below sea level in the most extreme corner of France, near the island of Ouessant. In this place, battered by waves and wind, an almost mystical symbiosis takes place between the seabed and the chalky Champagne terroir.

Thiénot | Vintage 2012 109
Pinot Noir (65%), Chardonnay (25%), Pinot Meunier (10%)
Ripe champagne who balances great complexity with beautiful freshness for lovers of Brioche Champagne.

Bollinger | « PN VZ 2019 » 195
Pinot Noir
Every year Bollinger introduces an ode to Pinot Noir. Quinten was invited to the unforgettable introduction of this vintage. The 2019 comes mainly from Pinot Noir from Verzenay. It is a lush symphony in which all the aromas melt together in a silky long finish.

Paul Launois | Portrait | Blanc de Blancs Grand Cru Mesnil sur Oger | 2017 220
Chardonnay
A mature Blanc de Blancs with depth and elegance. The 2017 vintage combines richness with the razor-sharp freshness of Le Mesnil-sur-Oger.

Thiénot | Cuvee Stanislas | Blanc de Blancs | 2008 240
Chardonnay
Fresh and precise at first, before opening into layers of toasted almonds, butter and remarkable length.

Thiénot | Cuvee Garance | Blanc de Noirs | 2010 285
Pinot Noir
Absolute top cuvee. Soft mousse with an enormously long mature finish. A gastronomic champagne that belongs at the table, not just in the glass.

Sparkling Red Wine

Australia | Adelaide Hills | McLaren Vale | Joseph | N.V. 130
Shiraz
An Australian icon made with museum vintages dating back to the 60's. This is the history of Australian wine in a bottle. They handcraft the Sparkling Red using a unique blend of aged Australian reds from the past fifty years. The result is a brooding, opulent wine with aromas of leather, spice, cedar, and a smooth, velvety finish

White Wines
The Great Classics
The wines that built the world's greatest wine regions

Italy

Friuli | Vie di Romans | Vieris | 2022 BIO 79
Sauvignon Blanc
The ripeness of this wine made this a wine that changed my view on Sauvignon Blanc.

Friuli | Jermann | « Vintage Tunina » | 2021 BIO 115
Sauvignon Blanc, Chardonnay, Malvasia, Istriana, Picolit
The first wine to create an evolution on "new-style Friuli" wines. Epic wine with a full round velvety taste with wild flowers and a somewhat spicy finish that seems to have no end.

Alto Adige | Franz Haas | "Manna" | 2024 BIO 67
Chardonnay, Gewürztraminer, Kerner, Riesling, Sauvignon Blanc
A tribute to his wife, who seemed to be just as complex as this wine. Those were his words, not mine. Franz found the perfect balance between all these grapes. Gastronomic all-rounder.

Alto Adige | Colterenzio Schreckbichl | Lafóa | 2023 98
Chardonnay
Blind tasted, we would happily pour this against many white Burgundies.

Alto Adige | Colterenzio Schreckbichl | Gran Lafóa Riserva | 2021 215
Sauvignon Blanc
Named 'Wine of the Year 2025' by Gambero Rosso: "The White Wine of the Year 2025 is the Gran Lafóa Sauvignon, a reserve from the 2021 harvest—a wine that opens a new chapter in the South Tyrolean winemaking landscape."

Piemonte | Giacomo Barbera | Roero DOCG | 2025 49
Arneis
The white Barolo! The wine is fresh with crispy minerality, ripe white fruits and a spicy finish.

Italy | Marche | Andrea Felici | Verdicchio dei Castelli di Jesi | 2021 BIO 95
Verdicchio **Only in Magnum 150cl**
Mineral freshness with white fruit and crispy acidity

Umbria | Villa Antinori | Cervaro della Sala | 2023 BIO 139
Chardonnay, Grechetto
Italy's most famous white wine who creates a marvelous feast between citrus, toast and tropical fruit.

Sicilia | Etna Bianco | Punto Cieco | The Blindspot Vineyard | 2024 BIO **NEW** 68
Carricante (95%), Inzolia (5%)
One tiny hidden vineyard, 860 metres above sea level, with Mount Etna beneath your feet. Ancient vines, volcanic soils and pure Carricante magic. Think vibrant citrus, salty minerality and electric freshness. Just 2,000 bottles. A small vineyard, a mighty volcano.

Sicilia | Marco de Bartoli | Grappoli del Grillo | 2023 BIO **NEW** 78
Grillo
Some wines are worth chasing. I first discovered this Sicilian beauty in a tiny wine bar in Bologna. After a long search, it finally found its way to Cadzand. Marco De Bartoli transformed humble Grillo into something extraordinary. Mediterranean sunshine, Burgundian elegance and a story worth sharing.

Spain

Geteriako Txakolina | Bodegas Aitaren | 2021 69
Hondarrabi Zuri
Small winery with only 4 hectares of vineyards. Gastronomical wine, perfect with seafood or any fish. Salty wine with tastes of dried fruits and a long aftertaste due to barrel ageing.

Bizkaiko Txakolina | Oxer | Terlegiz | 2022 BIO 89
Hondarrabi Zuri
One of my favourites. Oyster shells over a quince and roasted apple background. Perfect companion of your seafood.

Rueda | Carrasviñas | Fermentado en Barrica | 2025 44
Verdejo **Magnum 150cl (2023)** 79
Barrel fermented Verdejo, so slightly creamier than you would expect. Carrasviñas is the winery of the king of Verdejo, Felix Lorenzo Cachazo who deserved the "DO Rueda" for verdejo wines.

Rioja | Oxer | Iraun | 2023 BIO 69
Viura (80%), Calagraño, Malvasia, Maturana Blanca, Garnacha Blanca
This is what white Rioja is all about. Old Bush Vine Rioja Blanco with incredible energy. Oxer proves Rioja can be every bit as exciting in white as it is in red

Rioja | Cuna de Maras | Elharkano | 2018 BIO **NEW** 79
Izkiriota Txikia, Petit Manseng, Malvasia, Pinot Grigio, Viognier, Viura
With the help of a Belgian importer, I discovered this tiny winery in Rioja. They craft wines in an extremely creative way, where everything is handcrafted and meticulously executed. This is a seriously underrated showcase of white Rioja. I've never tasted them like this before.

Ribera del Duero | Dominio del Aguila | Albillo Mayor Viñas Viejas 2021 BIO 189
Tempranillo, Garnacha, Bobal, Blanca del País
Rare wine from the old winemaker of Domaine de Romanee Conti and Vega Sicilia. On the poor soil of Ribera he makes this absolute stunner of a wine.

Penedès | ELECTIO | Parés Baltà | 2022 BIO 99
Xarel-Lo
Only ninety-year-old Xarello vines could create this much texture and concentration. This is a wine that displays my wine list. I brought this wine to every wine list I made in every restaurant where I worked.

Spain | Rias Baixas Val do Salnès | Albamar Sesenta e Nove | 2017 170
Albariño **Only in Magnum 150cl**
I was at Xuxo's winery in July 2026. He asked me if I wanted to sell these bottles back to him. This says enough about the wine and that 2017 vintage.

Galicia | DO Valdeorras | Rafael Palacios | Louro do Bolo | 2024 BIO 51
Godello **Magnum 150cl (2023)** 95
Nice combination of citrus and yellow fruit in the nose, light wood touch, filming in the mouth, spicy, slightly salty, elegant and complex. You can see why Rafael is the Godello King.

Galicia | DO Valdeorras | Rafael Palacios | As Sortes Val do Bibei 2023 BIO 109
Godello
One of Spain's greatest wines, with that little "Zeeland" touch.

Portugal

Dão | Cabriz | Encruzado Reserva Branco | 2025 **NEW** 49
Encruzado
After a Portugal trip I was surprised by the quality of an unknown grape, Encruzado. Taste it and you will fine lovely citrus acidity interwoven with refined hints of hazelnut and vanilla. A sunshine wine.

Dão | O Estrangeiro | Inspired by Herdade do Rocim | 2023 82
Field Blend
Old vine field blend with striking minerality and nuances of flint and barrel ageing. Greasiness and a long aftertaste will improve your seafood or fish dish. Really surprising wine.

Germany

Mosel | Markus Molitor | Ürziger Würzgarten Feinherb Kabinett | 2020 49
Riesling
You probably will know this wine and that is for the right reasons.

Rheingau | Weingut Künstler | Riesling Hochheimer Hölle GG | 2023 96

My favourite Riesling from the steep slopes of Hochheim. Perfectly balanced fruit with acidity and some petrol notes. The 2023 vintage had 100 Suckling points and rated second in Wine of the Year.

Franken | Weingut am Stein | Stettener Stein | Grosses Gewächs | 2015 74
Silvaner
10 year old Silvaner. The amount of minerality and intensity makes this an absolute top wine. This wine gave me a "Oh Wow" moment more than I could have imagined.

Nahe | HEES | Auener Höhe | Weissburgunder Trocken | 2024 BIO 50
Weissburgunder
Juicy and pleasing Weissburgunder with a perfect balance between minerality and acidity.

Pfalz | Dorst & Co. | 2022 BIO 58

The alternative for Pouilly Fumé or Sancerre lovers, Ripe apple, passionfruit, grapefruit and a fresh aftertaste.

Baden | Weingut Wagner | Grauburgunder vom Löss | 2025 48
Grauburgunder
It is a great achievement to reach the top so fast in competitive Baden. Peter Wagner did it. This wine gives aromas of green pear, apple, notes of bread and brioche and a fresh finish.

Baden | Weingut Wagner | Schlossberg Grauburgunder Trocken 2022 BIO 99
Grauburgunder
The best wine I tasted at the Amsterdam wine fair 2025. Wow, what a newcomer. Aromas of mountain herbs, hay, honeydew melon, pear, subtle wood and an exciting finish with uplifting acidity. It tastes even better when you drink it at their winery, with their horse "Baro", nice horse.

Sauvignon Blanc
Heinz Weixelbaum makes this wine exclusively from his very best Sauvignon grapes and only in the finest vintages. In small quantities. A total of 1,594 bottles. On the palate, this wine is much fuller, fleshier, creamier, and more complex than you would expect from this grape. With fruit notes of ripe apples, apricots and pineapple.. Mineral and with plenty of length. An experience, not just for Sauvignon fans.

Burgenland | Leithaberg | Kollwentz | "Gloria" Chardonnay | 2022 **NEW** 162

CA WINES

Proud recipient of the California Stars – Level 2 award, recognizing our commitment to promoting the diversity and quality of Californian wines.

California is one of the few wine regions in the world where power and elegance can exist side by side. From expressive Zinfandel to world-class Cabernet Sauvignon, every bottle reflects a different side of this remarkable state. Our Californian red wines have been selected to showcase that diversity. They invite our guests to look beyond the familiar and discover why California has become one of the world's most exciting red wine destinations.

Every bottle on this page has one thing in common: it has earned its place on our wine list by telling a story worth sharing. Now we love to share their stories with you.

Rosé beyond Provence

Every rosé on this wine list is selected to accompany food, not just sunshine.

France

Provence | Château Barbebelle | 2025 BIO — 45
Grenache, Cinsault, Syrah — *Magnum* 85
The kind of rosé that disappears before the oysters arrive. — *2022 Double Magnum* 170

Italy

Piemonte | Parusso | Parüss Nebbiolo Rosato | 2022 — 49
Nebbiolo
Nebbiolo without the Barolo suit and tie. Floral, fresh and full of red fruit, but with just enough grip to remind you where it comes from.

Toscane | Ricasoli | Albia IGT | 2025 — 45
Sangiovese, Merlot
Ricasoli has been part of Tuscan wine history for centuries, but Albia shows its lighter side. Sangiovese gives freshness, Merlot gives softness: simple on paper, dangerously easy at the table.

Toscane | Villa Antinori | Fattoria Aldobrandesca "A" Rosato | 2025 — 86
Aleatico
Aleatico is one of Tuscany's old aromatic grapes, grown here on the volcanic soils of the Maremma. A rosé with perfume, saltiness and personality. This is proof that pale pink does not have to mean Provence.

Emilia-Romagna | Tenuta Mara | Rosato "Maramato" | IGT Rubicone | 2020 — 60
Sangiovese
At Tenuta Mara, Sangiovese grows among art while classical music plays through the vineyards; even the cellar has Gregorian chants. It sounds eccentric until you taste the wine: Maramato is just as individual as the place it comes from.

Sicilia Etna | Cantina Maugeri | Etna Rosato | 2022 — 69
Nerello Mascalese
Etna makes even rosé taste like its location. Nerello Mascalese, volcanic soils, altitude and sea breezes give this wine tension, saltiness and the kind of freshness that makes you reach for food.

Spain

Montsant | Dido | "La Solució Rosa" | 2022 — 59
Garnacha Tinta, Macabeo, Tempranillo, Carignan, Garnacha Blanca, Garnacha Gris
Gastronomical rosé which is a perfect companion to fish or light meat dishes. A real surprise.

Rioja | Oxer | Otto | 2023 BIO — 78
Tempranillo, Garnacha, Graciano, Viura, Mazuelo
A rosé for white wine lovers. Richer, darker, more textured and remarkably food-friendly.

Ribera Del Duero | Dominio del Aguila | Peñas Aladas Clarete | 2019 — 359
Tinto Fina (Tempranillo), Blanca del País
The best rosé I have ever tasted, although calling Peñas Aladas simply a rosé almost feels unfair. I drank it together with winemaker Jorge Monzón, and it changed my idea of how serious, complex and age-worthy Clarete can be.

Portugal

Dão | Quinta da Alameda | Torreão | 2024 — 54
Pinot Noir
Pinot Noir in the Dão is already unexpected; finding only half a hectare of it makes this rosé even more curious. Delicate, vibrant and almost Provençal in style, but with a Portuguese passport.

Germany

Rheingau | Weingut Künstler | Rosé Fumé Trocken | 2021 78
Spätburgunder
I have been visiting Künstler in the Rheingau year after year, and somehow there is always another wine that surprises me. His Rosé Fumé takes the elegance of a Provence-style rosé, adds Spätburgunder and barrique and lifts the whole idea to another level.

Austria

Wachau | von der Vogelwaide | Balztanz Rosé | 2023 BIO 82
Zweigelt (80%), Merlot (20%)
Our most surprising rosé on this wine list. We loved to discover that fine almond aftertaste. Exactly the kind of bottle this page was made for.

Ukraine

Mykolaiv | Beykush Winery | Artania Rosé | 2024 45
Pinot Gris
Before tasting this wine, we would never have guessed Ukraine could produce rosé of this quality. Blind, we would all have said Provence. We were only 2,500 kilometres off.

Australia

Margaret River | Luck, Art & Science Vino | Albino PNO | 2021 BIO 78
Pinot Noir, Chardonnay
Dry, savoury and made for the table rather than the terrace, although we would also love It on the terrace

Demi 37,5cl

Sparkling

United Kingdom | Kent | Gusbourne Brut | 2024 49
Chardonnay, Pinot Noir, Pinot Meunier
A perfect British aperitif.

White

Austria | Hiedler | Niederösterreich Grüner Veltiner Löss | 2023 BIO 32
Grüner Veltliner
Light and spicy style.

Australia | Frankland River | Isolation Ridge Chardonnay | 2021 39
Chardonnay
Full bodied new world style.

Red

Austria | Burgenland | Umathum Zweigelt | 2020 BIO 37
Zweigelt
Red fruity and earthy style.

Spain | Rioja | La Rioja Alta | Viña Ardanza | 2020 48
Tempranillo
Full bodied classical Rioja
