

Word of Welcome

Welcome to the Wine list of Hotel de Blanke Top.

The wine world of today is very interesting and there is nobody in the world who knows everything about it. We believe it is very important to have a balanced wine list with a variety of every wine style at every price range.

Price-Quality Ratio

This is Quinten's major focus. We all know French wines. They are a safe choice, but often too expensive for the quality inside the bottle. So Quinten searches beyond many borders in order to find the bottle with the best price quality the wine world has to offer. So here at the Blanke Top you can taste wine from the remote nature of Patagonia to a special vineyard in the Chinese Himalayas, from the sacred hills of Japan to royal Liechtenstein wines, and from the rainy coast of southern England to sun-drenched Kakheti in Georgia, where wine was invented.

Wine List of the Future

You might be surprised with what you see on this list. Wine from Georgia, Patagonia, England, Japan and China are not the most common. Quinten believes it will be very common within 20 years. Those previously mentioned countries make amazing wines, but are hidden gems in the European wine market. That is why the prices are also 'amazing'.

So trust me, try a wine from a country you do not know. You will be very surprised.

At February 17th 2024, we got awarded a Star by Star Wine List for our wine list, wine experience and the knowledge of the sommelier. This is fantastic recognition for the service we try to offer you. In 2025 we maintained the Star and got another price, Level 2 California wines. A recognition which only 4 restaurants have in the Netherlands.

Staff's Wine Trips

For me, wine trips are very important. They teach you a lot more about a wine region than tasting 100 wines. You can breathe the air of the region, feel the soil, embrace the terroir and feel the love the wine maker puts into to the wine. My dream is to visit every winery on this wine list. It sounds impossible, but a lot of things sound impossible...

Georgia June 2024, January 2025 & January 2026

What a country! Quinten needed to give a masterclass about the Western European wine market at the Winexpo in Tbilisi in June 2024. Since then he visited the country two times more because he loves the culture, especially the wine culture.

South Africa - January 2025

Quinten and Jo visited South Africa in January 2025. We visited Rijk's winery in Tulbach which was already on our wine list with **the best Chenin Blanc & Pinotage South Africa has to offer**. We had a big lunch with Thinus from Fram Wines, who gave us lots of insights about Chenin Blanc. On the last day of our stay we visited Bouchard Finlayson. All the estate were absolutely beautiful and we are proud to show you these estates on our wine list.

The South of England - July 2025 & April 2026

A sparkling wine from England, that does not sound very romantic, but they are new to the wine world and are astonishing. So Quinten, Luka and Tom went to England to find the romance in English wines. Spoiler alert, They did find it.

Fantastic rosé sparkling wine from the limestone soil in Assmannshausen. Perfect Champagne alternative.

Sussex | Rathfinny Rosé | 2019 BIO ✨ **Glass 15** **Bottle 79**
Pinot Noir, Chardonnay, Pinot Meunier

What an amazing winery, beautifully developed on the British coastline. We visited the winery in July 2025 and were astonished by its scenery. Luckily also the wine had amazing quality. Fresh, fruity, summery rosé sparkling. A feast to celebrate the new booming sparkling wine region across the sea.

Kent | Gusbourne Blanc de Blancs | 2018 ✨ ✨ 109
Chardonnay

Better than most Champagnes, from the limestone soil of Sussex, South-England. Truly surprising with citrus, yeast and a superb minerality. Definitely worth a try if you like Blanc de Blancs. We have visited this winery in July 2025 with our team and after travelling the South of England looking for sparkling wines, these were definitely the best ones we could find.

Kent | Gusbourne Blanc de Noirs | 2018 ✨ ✨ 119
Pinot Noir

Better than most Champagnes, very complex wine with a ultimate balance between spiciness and citrus but also ripe yellow fruit. This can be your next surprise if you like ripe champagnes. We have visited this winery in July 2025 with our team and after travelling the South of England looking for sparkling wines, these were definitely the best ones we could find.

Champagnes

Thiénot | Brut ✨ **Glass 15** **Bottle 79**
Chardonnay, Pinot Noir, Pinot Meunier

Our house champagne. Fresh and also fruity. A Champagne that everybody loves.

Thiénot | Blanc de Blancs ✨ 119
Chardonnay

The fresher alternative to our house champagne. Made from solely Chardonnay grapes.

Deutz | Brut Classic ✨ 92
Chardonnay, Pinot Noir, Pinot Meunier

Deutz is a very old Champagne Château (1838). It is very mineral and outspoken, lovely with seafood.

Egly-Ouriet | Vignes de Vriigny | Vieilles Vignes de Pinot Meunier | Extra Brut ✨ 98
Pinot Meunier

More gastronomic Champagne, more worthy to match dishes like seafood, fish or even light meat.

Elemart Robion | VB03 Extra Brut | Vin Biologique **NEW** 93
Pinot Meunier (70%), Chardonnay (20%), Pinot Noir (10%)
Full bodied Champagne, dominated by the Pinot Meunier grape. We prefer to serve it in Burgundy glasses to open its full potential. This Champagne can be easily paired with your fish menu or even poultry.

Paul Launois | Illustration #5 | Blanc de Blancs Grand Cru Mesnil sur Oger 99
Chardonnay
The Illustration vintage stands out for its originality and minerality. The chalky terroir associated with the oak barrel reveals its full aromatic potential: a fine toasted and saline extra brut Champagne

Millésimes

Deutz | Brut Vintage 2015 Late Disgorgement ✨**NEW** 135
Chardonnay, Pinot Noir, Pinot Meunier
This wine showcases extended ageing on lees before disgorgement, creating remarkable depth and complexity. Late disgorgement preserves freshness and integrates aromas of brioche and nuts.

M. Hostomme | Vikka | 2009 **NEW** 259
Chardonnay
Her name, Vikka, means "traveler, adventurer" in Old Norse. It was chosen as a tribute to the family's Scandinavian roots, which certainly play a role in their tribal spirit and their taste for exploration. This 2009 Blanc de Vins, after 12 months of disgorging, was submerged 60 meters below sea level in the most extreme corner of France, near the island of Ouessant. In this place, battered by waves and wind, an almost mystical symbiosis takes place between the seabed and the chalky Champagne terroir.

Thiénot | Vintage 2012 ✨★ 109
Pinot Noir (65%), Chardonnay (25%), Pinot Meunier (10%)
Ripe champagne who balances great complexity with beautiful freshness for lovers of Brioche Champagne.

Louis Roederer | Vintage Rosé 2017 🗨️ 159
Pinot Noir (40%), Chardonnay (40%), Pinot Meunier (20%)
A Provence like color introduces the fine bubbles fizz energetically, and the scent is summery and intense with notes of ripe stone fruit such as wild peach, complemented by red berries and blood orange.

Bollinger | « PN VZ 2019 » ✨ **NEW** 195
Pinot Noir
Every year Bollinger introduces an ode to Pinot Noir. Quinten was invited to the bombastic introduction of this vintage. The 2019 comes mainly from Pinot Noir from Verzenay. It is a lush symphony in which all the aromas melt together in a silky long finish.

Paul Launois | Portrait | Blanc de Blancs Grand Cru Mesnil sur Oger | 2015 **NEW** 199
Chardonnay
Its reduced dosage liqueur content makes it an "Extra Brut" champagne. This bias allows the wine to express the finesse of its aromas as well as the identity of the terroir. The 2015 Portrait vintage is the vintage of an exceptional year. The year 2015 produced champagnes whose acidity and aromatic power make them Champagnes for laying down. But after 10 years it laid down enough, it is time for drinking now.

Thiénot | Cuvee Stanislas | Blanc de Blancs | 2008 ✨ 240
Chardonnay
This wine is an experience. Fresh at first, but it finishes with love ripe almond taste that seems to never end.

Thiénot | Cuvee Garance | Blanc de Noirs | 2010 ✨ 285
Pinot Noir
Absolute top cuvee. Soft mousse with an enormously long mature finish. A gastronomic all-rounder

Sparkling Red Wine

Australia | Adelaide Hills | McLaren Vale | Joseph | N.V. 130
Shiraz
An Australian icon made with museum vintages dating back to the 60's. This is the history of Australian wine in a bottle. They handcraft the Sparkling Red using a unique blend of aged Australian reds from the past fifty years. The result is a brooding, opulent wine with aromas of leather, spice, cedar, and a smooth, velvety finish.

The first wine to create an evolution on "new-style Friuli" wines. Epic wine with a full round velvety taste with wild flowers and a somewhat spicy finish that seems to have no end.

Alto Adige | Franz Haas | "Manna" | 2023 BIO  67
Chardonnay, Gewürztraminer, Kerner, Riesling, Sauvignon Blanc

A tribute to his wife, who seemed to be just as complex as this wine. Those were his words, not mine. Franz found the perfect balance between all these grapes. Gastronomic all-rounder.

Alto Adige | Colterenzio Schreckbichl | Lafóa | 2023 84
Chardonnay

Perfect Burgundy alternative – Intense nose with ripe stone fruits, pineapple but also a long creamy, nutty aftertaste.

Alto Adige | Colterenzio Schreckbichl | Gran Lafóa Riserva | 2021 **NEW** 215

Named 'Wine of the Year 2025' by Gambero Rosso: "The White Wine of the Year 2025 is the Gran Lafóa Sauvignon, a reserve from the 2021 harvest—a wine that opens a new chapter in the South Tyrolean winemaking landscape."

Spain

Geteriako Txakolina | Bodegas Aitaren | 2021   69
Hondarrabi Zuri

Small winery with only 4 hectares of vineyards. Gastronomical wine, perfect with seafood or any fish. Salty wine with tastes of dried fruits and a long aftertaste due to barrel ageing.

Bizkaiko Txakolina | Oxer | Terlegiz | 2022 BIO    89
Hondarrabi Zuri

One of my favourites. Oyster shells over a quince and roasted apple background. Perfect companion of your seafood.

Rueda | Carrasviñas | Fermentado en Barrica | 2024 44
Verdejo **Magnum 150cl (2023) 79**

Barrel fermented Verdejo, so slightly creamier than you would expect. Carrasviñas is the winery of the king of Verdejo, Felix Lorenzo Cachazo who deserved the "DO Rueda" for verdejo wines.

- Rioja | Oxeer | Iraun | 2023 BIO   69
 Viura (80%), Calagraño, Malvasia, Maturana Blanca, Garnacha Blanca
This is what white Rioja is all about. White peach, yellow plum, spices and some smokey notes. Beautiful bottle who displays the old Basque perseverance with the snake of the etiquette who eats his own tail: "In my beginning is my end".
- Rioja | Cuna de Maras | Elharkano | 2018 BIO  **NEW** 79
 Izkiriota Txikia, Petit Manseng, Malvasia, Pinot Grigio, Viognier, Viura
With the help of a Belgian importer, I discovered this tiny winery in Rioja. They craft the most wonderful wines in an extremely creative way, where everything is handcrafted and meticulously executed. This is a seriously underrated showcase of white Rioja. I've never tasted them like this before.
- Penedès | ELECTIO | Parés Baltà | 2021 BIO   85
 Xarel-Lo
Electio: "the chosen one". 90 year old vineyard with small production of local Xarel.Lo grapes. The wine is oily with very ripe white fruit in the aftertaste. Spicy companion of your fish or light meat dish.
- Galicia | Rías Baixas | Zarate | "Sal da Terra" | 2024   74
 Godello
"Sal da Terra", The Salt of the Earth, a seductive Albariño with a complex nose of blossom, ripe stone fruit, citrus, almond, and seaweed. The palate is quite full-bodied, yet beautifully balanced with soft acidity and a long, salty finish.
- Spain | Rias Baixas Val do Salnés | Albamar Sesenta e Nove | 2017  170
 Albariño **Only in Magnum 150cl**
This Albariño feels super austere and mineral. It comes from five plots, three of them over 100 years old of pure granite soil. 18 months of ageing gives it a pure, salty, mineral, clean and sharp wine.
- Galicia | DO Valdeorras | Rafael Palacios | Louro do Bolo | 2024 BIO   51
 Godello **Magnum 150cl (2023)** 95
Nice combination of citrus and yellow fruit in the nose, light wood touch, filming in the mouth, spicy, slightly salty, elegant and complex. You can see why Rafael is the Godello King.
- Galicia | DO Valdeorras | Rafael Palacios | As Sortes Val do Bibei 2023 BIO  99
 Godello
Rafael Palacios is the king of Godello. Valdeorras is the Valley of Gold for Godello. Salty Godello with barrel ageing. I do not have much to say about this wine, just try it. There will be no regrets.
- Gran Canaria | Tameràn | David Silva (yes, the football player) | 2022 BIO  78
 Malvasia Volcanica
This wine is better than a backheel assist to Aguero for Manchester City. Pronounced saltiness in the aroma with a light smoky touch. Fresh lime, grapefruit and nice saltiness to accompany your seafood.
- Portugal**
- Vinho Verde | Joao Portugal Ramos | Loureiro | 2024  35

- Dão | O Estrangeiro | Inspired by Herdade do Rocim | 2023  82

Old vine field blend with striking minerality and nuances of flint and barrel ageing. Greasiness and a long aftertaste will improve your seafood or fish dish. Really surprising wine.
- Netherlands**
- Zeeland | Wijnhoeve de Kleine Schorre | 2024 **LOCAL**  49
 Rivaner
Yes, we make wine here. And it is good! Fossil oyster soil give this fresh Rivaner a salty aftertaste, matches our local food preferences as well.
- Louwberg, Maastricht | Apostelhoeve | Cuvee XII | 2023  49
 Müller Thurgau, Auxerrois, Pinot Gris
Blend from the oldest Dutch winery, the Apostelhoeve. The wine is light, youthful and mineral.

Heinz Weixelbaum makes this wine exclusively from his very best Sauvignon grapes and only in the finest vintages. In small quantities. That's why he combined his 2016, 2018, and 2019 vintages. A total of 1,594 bottles. On the palate, this wine is much fuller, fleshier, creamier, and more complex than you would expect from this grape. With fruit notes of ripe apples, apricots and pineapple.. Mineral and with plenty of length. An experience, not just for Sauvignon fans.

Japan

Niigata | Cave d'Occi | Flamingo | 2023 🌱★ BIO NEW 97
Pinot Noir

Red wine from the suburbs of northern Niigata. Light red and initially slightly sulfurous on the nose. It has fresh berry fruit, raspberry, and wild strawberry notes. Some nutty and spicy notes, too, with good structure supported by tannins. It's recognizably Pinot Noir, yet certainly different from what you're used to. From this wine there are only 876 bottles made.

Ashikaga Tochigi | Coco Farm & Winery | Noumin Rosso | 2023 🌱★ BIO NEW 79
Merlot (38%), Muscat Baily A (26%), Cabernet Sauvignon (21%), Black Queen (5%), Zweigelt (4%)
This is an well-balanced Japanese red wine that blends traditional Bordeaux varieties such as Merlot and Cabernet Sauvignon with Muscat Bailey A, a grape native to Japan. It pairs wonderfully with Japanese cuisine, featuring soft tannins, vibrant fruit flavours, and sweet notes derived from barrel ageing.

Yamanashi | Grace Wine Akeno Bordeaux Blend | Misawa | 2020   99
 Merlot, Cabernet Sauvignon, Cabernet Franc, Petit Verdot
Bordeaux lovers take note! Classical Bordeaux blend from the Japanese fairytale area. We noted dark fruit, spices and oak barrel ageing with a Japanese note of politeness in the finish.

China

Himalayas | Yunnan | Ao Yun | 2020 559
 Cabernet Sauvignon, Cabernet Franc, Merlot, Petit Verdot, Syrah
After four years of searching across China to find the ideal terroir to produce a red wine worthy of comparison with the world's greatest wines, the perfect site was found in the Himalayas, near the Mekong River at an altitude of 2200 till 2600 meters. Ao Yun means "Flying above the clouds", a reference to the clouds that cap the summits of the surrounding mountain chains. Aromas of blackberries, blueberries complemented by spicy notes. Lots of richness and ripeness in the nose. Take a moment and you will also smell the aromas of tobacco and pine.
